Airbus is a leading aircraft manufacturer with the most modern, eco-efficient and comprehensive family of airliners available, ranging in capacity from 100 to more than 500 seats. With over 8,100 aircraft in service worldwide and a backlog of some 6,300, **AIRBUS IS A GLOBAL COMPANY WITH DESIGN AND MANUFACTURING FACILITIES AROUND THE WORLD.** Airbus Americas supports and sells to customers in North America and conducts engineering work for the global Airbus product line. In 2013 alone, Airbus spent over \$14 billion with hundreds of U.S. suppliers, translating into Airbus support of more than 245,000 American jobs.
